DEDICATION

Elwood McQuaid accepted Jesus Christ as Savior in 1948. Following theological training, he pastored for 24 years. It was during this time that he became pastor of Timberlake Baptist Church. He served as its pastor for 15 years, during which he founded Timberlake Christian School.

Having been given great love for and interest in the Jewish people and the nation of Israel, he resigned as pastor of Timberlake Baptist Church and became affiliated with Friends of Israel, where he served as the western states director of Friends of Israel.

He conducted evangelistic, prophetic, and Christian Life Conferences throughout the country and abroad. His expertise is in the area of contemporary Israel and the issues affecting that nation. Frequent visits to Israel and the Middle East keep him current with the people and events of our day.

His articles and poems have appeared in numerous magazines. He has written many pamphlets and booklets . . . One poem, "One Nation Under God", received an award from Freedom Foundation, Valley Forge, PA.

His books, **Zvi**, a biography and **It Is no Dream**, a prophetic work, have gone through numerous printings. They have been published in several foreign countries. **It Is no Dream** is also in Braille for the blind. The book **Zvi** has been placed on the bibliography list in all libraries that handle Jewish books. **It Is no Dream**, is in the Zionist Information Agency in Israel, for research. (We praise the Lord for these two facts for the testimony these books may be to unsaved Jewish people!)

Two more books, including a book of poems, are now with the publisher.

He has a weekly radio program, "Focus on Israel," which he does for Family Life Radio in Arizona and Michigan.

He serves on advisory boards in several colleges and missionary institutes in the states and West Indies.

At the present time he is affiliated with Moody Bible Institute where he writes and constructs lectures and evangelistic crusades.

Much more could be said about this gentlemen, enough in fact to fill a book, but we feel the greatest tribute we extend to him is to call him "God's Servant."

To you, Rev. Elwood McQuaid, we, the Administration, Staff, Faculty and Students of Timberlake Christian School dedicate this edition of the 1981-82 TEKOA.

The Bible speaks numerous times of the HAND or HANDS. It speaks of the HAND of God in such a way that one may be aware that He is the Creator, the Provider, The Guide, the Savior.

... His HANDS formed the dry land.

Ps. 95:5b

... Who hath measured the waters in the hollow of His HAND.

Isaiah 40:12a

... but His HAND is stretched out still.

Isaiah 5:25b

... the Lord upholdeth him with His HAND.

Ps. 37:24b

... whatsoever the HAND findeth to do, do it with all thy might.

Ecc. 9:10

... there shall Thy HAND Lead me, and Thy
right HAND shall hold me.

Ps. 139:10

... I was daily with you in the temple, ye
stretched forth no HANDS against me.

... with Him they crucified two thieves; the one
on His right HAND and the other on His left ...

Mark 15:27

... except I shall see in His HANDS the print of
the nails ...

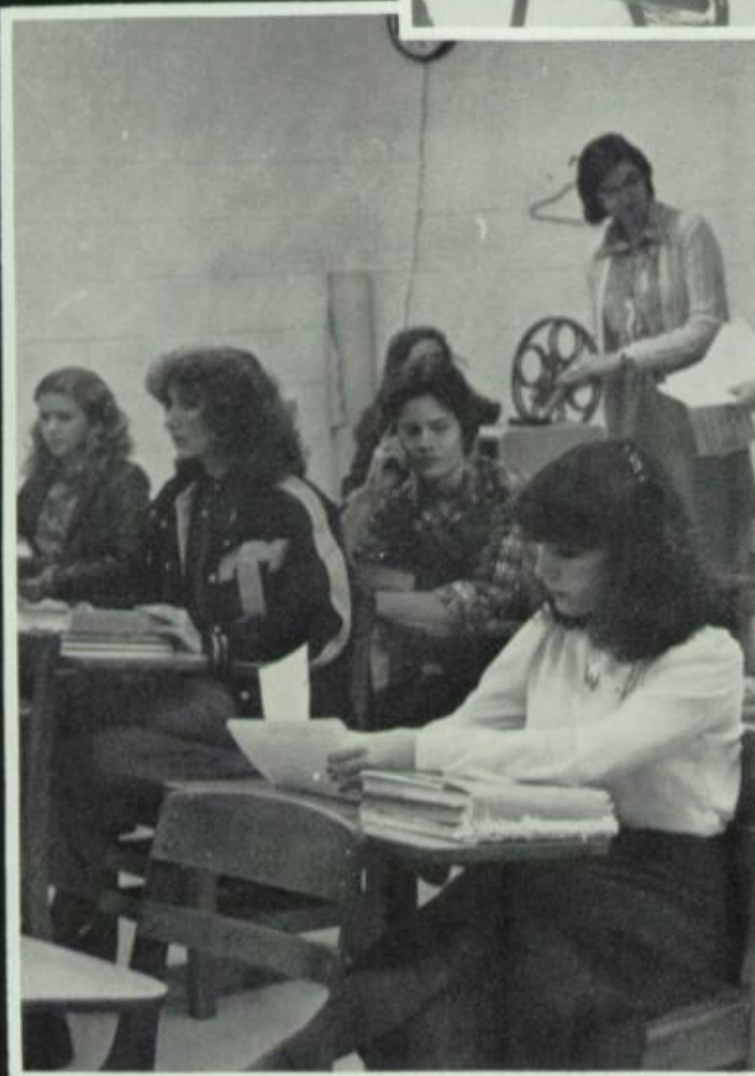

John 21:25

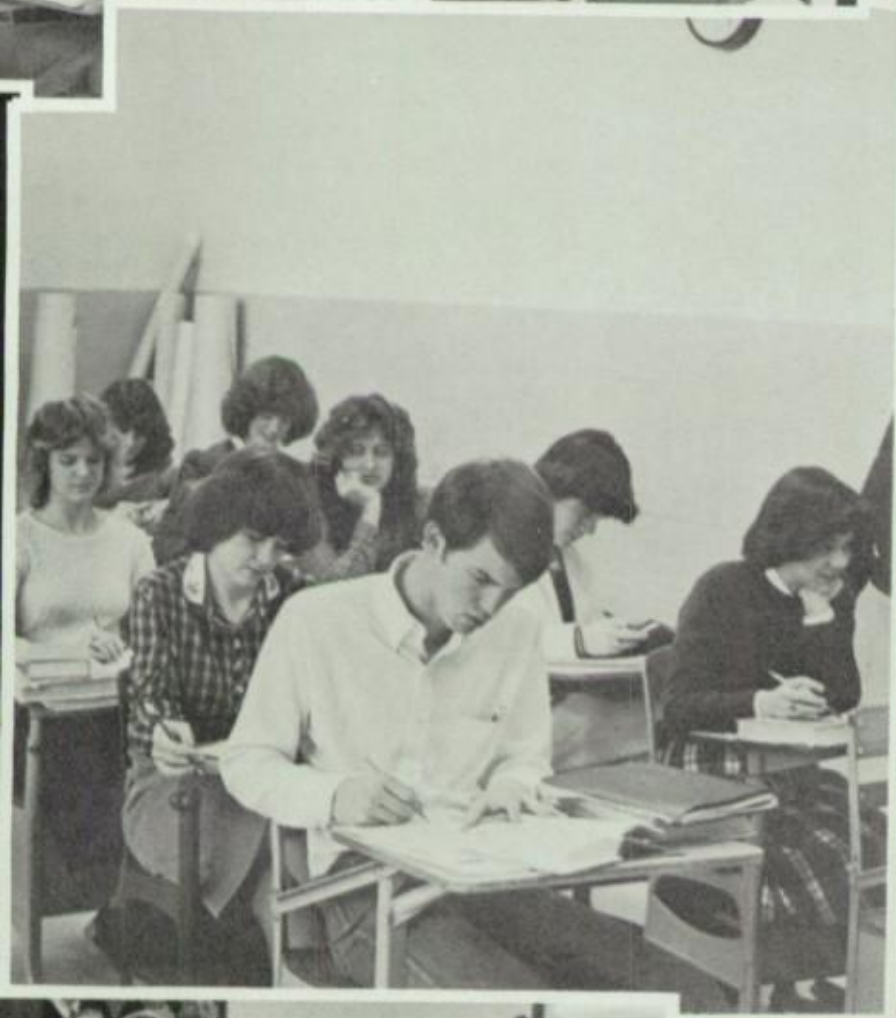

... reach hither thy fingers and behold my
HANDS ...

I was in deepest despair and all seemed lost; it
was so difficult to make myself go on. I had
folded my HANDS to pray when a HAND
seemed to slip out of the sleeve of the unseen.
A HAND with a nail print and a voice so tender
and encouraging seemed to say, "Be not
faithless, but believing ... I will never leave
thee, nor forsake thee."

One's senior year is perhaps one of the most important times in a person's life. There are those memories made that will last throughout a lifetime. Events such as Homecoming, all of the fund raising events, the Senior Trip, and of course the graduation makes a lasting impression in one's life. The senior year is a milestone at which one looks back and is reminded of the way in which God has directed and guided in one's life. The senior year is also a year of anticipation. The anticipation of embarking on a new life adds to the excitement of the year. One is excited over the anticipation of what God will do in their lives.

The 1981 soccer season had its bright and its dimmer moments. The varsity team had a frustrating year. The team improved overall, but the competition was stiffer than the previous year. The 1-14 record is evidence of this. But the record is not evidence of the effort put forth. Many times the team was on the verge of victory, only to be turned away at the last moment.

The junior varsity, on the other hand, had a winning record and a successful season. They played good teams and bad teams and proved themselves capable of defeating both. Coach Williams, in his first year here at T.C.S., led his team to an 8-1-1 record.

Two players from the varsity squad this year tried out for the Virginia Independent Conference All-Star Team. The tryouts were held at L.C.A. Harry Falls and Ricky McWane were the two players. They did very well, representing their school admirably. Ricky made second team All-Stars, and Harry made Honorable Mention. This was their last year at T.C.S., and we are glad for them to be able to be honored in this fashion. Their leaving will be a great loss to the team, and the school.

BALL

Diane Coleman led the TCS Varsity Girls Volleyball Team to one of their most exciting seasons ever. Although having a disappointing start in the season the team made great strides and ended with a record of 10-14. The second year in the Blue Ridge Conference was marked by only two victories, but also by post-season play in the BRC Tournament.

The season also included play in the LCA Invitational Tournament in which the team won five of seven games in which they played. In the tournament the team beat such arch-rivals as Roanoke Valley and LCA. The girls advance into the final games of the tournament in which they played Grace Academy for the championship. Although the team was narrowly defeated in the championship game they received second place in an extremely competitive tournament.

The Junior Varsity Girl's Volleyball Team had an outstanding season under the coaching of Jo Hooten. The season's record of 8-4 included such victories against perennial powerhouses as LCA, North Cross, and Amherst. The team is looking forward to another successful season next year.

3. J - U - M - P, Mike
4. Jim anticipates a pass from Bennie.

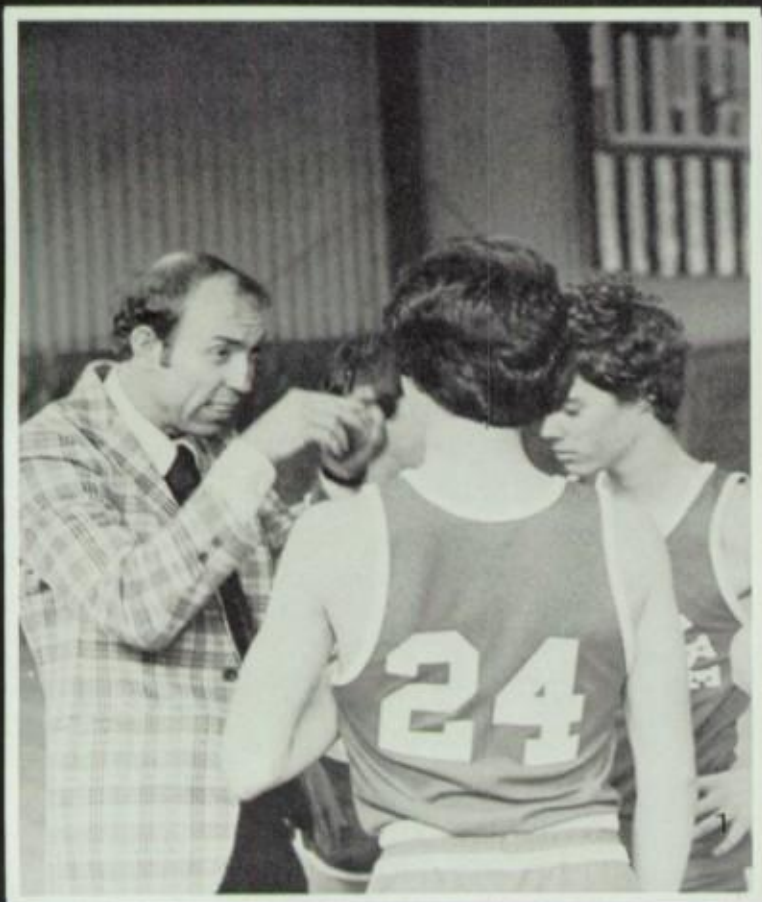

The TCS Varsity Boy's Basketball Team had what one might term as a developing season. The season record of 6-13 was an improvement over the previous year by four victories.

Such games as the North Cross game of a 2 point difference and the Homecoming game against Roanoke Valley of a 3 point difference created enthusiasm and spirit in the fans which intimidated opponents and sparked aggressiveness in the team.

The TCS Junior Varsity Boy's Basketball Team had an exciting and victorious season for 1981-1982. Their .500 season was not a true reflection of their mature play in such games as the North Cross, LCA, Hargrave Military, and Roanoke Valley in which they completely overpowered their opponents. Congratulations on a great season and the promise of an even better one next year.

1. "You see, it's like this," says Coach Williams.
2. Bennie goes for two more points.

The TCS Girl's Basketball Team finished the 1981-82 basketball season with a record almost identical to last years. The team has shown real development this year, evidenced by the fact that the team had a good season despite last year's loss of several key players such as Gail Moore, Dale Abbott, Ivy Johnson, and Cindy Burleigh. The year was marked with victories against such teams as Roanoke Valley, Hargrave Military, and St. Annes-Belfield.

The Junior Varsity Girl's Basketball Team was marked at the very beginning with an overwhelming victory over arch-rival Lynchburg Christian Academy. The rest of the season was a struggle against such powerhouses as Holy Cross, North Cross, and Roanoke Valley in which the team played with great skill.

4. Kneeling: David Dolan, Gary Thomas, Harry Falls, Ricky McWane, Lloyd Davis, Bryan Stanford. Standing: Craig Reimer, Tim Justice, Cory Beasley, Richard Carter, Bennie Fears, Bill Gross, Cecil Flovd. Tommy Parker, Richard Lambert.

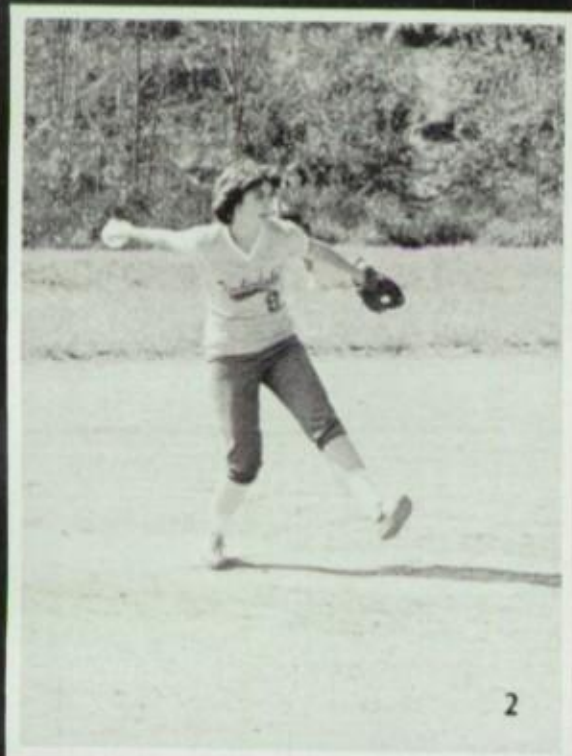

Despite the team's 2-10 record, the team improved greatly over its previous years. The team's two wins came in a double-header win over Augusta Military. They won the first game 12 to 3, and then they won the second 3 to 2.

If there could be one word to sum up this year's baseball team, it would be "young". Eight out of the total of fifteen players were in the tenth grade or lower, and four of those were in the eighth grade. Although the team is rather young, it does give the players a few extra years of experience and the future looks bright.

The Timberlake Christian School girls softball team played hard and with a great deal of competitiveness this season. The girls gave their best in all of their games which was the determining factor in victories against such teams as Berean and Holy Cross. Mrs. Jo Hooten led the team to a 3-8 season. Awards were given to Tammy Cunningham for the Most Improved player, to Susan Hassan for the Coaches Award, and to Dawn Duffie for the Most Valuable player. The school congratulates these players and wishes the softball team another successful season.

The Varsity Squad gets a kick out of watching the game.

The Junior Varsity and Varsity Cheerleading Squad of 1981-82 had a very successful year. This year's squad held their own cheerleading camp in which they learned and improved a great deal. The squad stayed busy this year by preparing for pep rallies and raising school spirit. The biggest part of the year was Spirit Week which was held during February and was a great time to remember for all of the Student Body. The highlight of the week was topped off with the Homecoming Ceremony.

Carol Mathis and Julie Edgar were co-sponsors of the Varsity Squad.

The Junior Varsity Squad was under the direction of Ann Pack and Linda Springsteen.

The teachers at T.C.S. this year are really great people. They are caring and will take time to help when the students need it. The students come to them for help with schoolwork but, also when they have problems elsewhere. They will be a friend and do all they can to help. They are dedicated Christians and love us but, most of all, the **Lord**. Proverbs 18:24 — "A man that hath friends must shew himself friendly: and there is a friend that sticketh close than a brother."

The students at T.C.S. are proud to have teachers that are so willing and concerned about them. They do things other than grade papers and prepare hard tests. Participation in school activities is quite normal for them. There are several teachers who are coaches. They also sponsor FBLA, NHS, SCA, the Cheerleaders, and Drama. The teachers also endeavor to set good examples for the students by taking part in Spirit Week. Several are class sponsors and participate in various activities to raise money. The students are really thankful for these people and are especially glad that the Lord brought them to Timberlake Christian School.

ACTIVITIES

SCA

1. Officers of the SCA: Ricky McWane, President, Harry Falls, Vice President, Jim Dinwiddle, Parliamentarian, Michael Tinsley, Secretary. 2. Candidates for President and Vice President: Ricky McWane and Harry Falls, Susan Hassan and Lucy Workman, Missy McQuaid and Bennie Fears. 3. SCA officers work dilligently.

The campaigning for SCA President and Vice President this year was more exciting than in previous years. All the candidates were popular and it was a hard decision to make to decide who would be honored with the position. But finally Ricky McWane was elected President and Harry Falls Vice President. A new amendment concerning the SCA was added this year which said that the President and Vice President would be elected in the year previous to their time of office.

FBLA

1. The officers of the FBLA. 2. The stuffed animals hold the members of the FBLA. Whoops!

The Future Business Leaders of America group were involved in many activities. They sold many different things, such as stuffed animals and key-chains, to raise money for their group. There were four seniors involved in the group during the year. The popularity of the group is growing, and people are beginning to take notice and interest in them.

NHS

1. Officers of the NHS: Gary Thomas, Treasurer, Jim Dinwiddie, Vice President, Alan Branson, President, Cory Beasley, Chaplain, Marcia Lachniet, Secretary 2. Mrs. McQuaid opens the induction ceremony. 3. The inductees recite the National Honor Society Pledge. 4. Marcia Lachniet gives the business report. 5. Officers of the National Junior Honor Society: Julie Stanley, Treasurer, Kim Evans, Vice President, Chris Whitely, President, Cecil Floyd, Chaplain, Susan Mitchell, Secretary.

The National Honor Society had sixteen members this year. They met once a month to discuss business. Their main activity for this year was selling posters to raise money to cover the cost for the induction ceremony this year.

There were eight new members inducted into the NHS, and ten into the NJHS, adding to their current membership of twenty-two.

DRAMA

The Drama department had two plays this year, as they did last year. The first play was under the direction of the Academy of Arts. This play, called "Dare to Stand", was very successful and was spiritually exciting and reviving. The spring play "Hope Springs Eternal" was a three-act comedy which was a lot of fun for the students. It was the longest and most difficult of the plays ever held here at T.C.S. The seniors in the play tried to steal the show, but some of the others "fell" into the crowds admiration, especially Rebecca Hill. This was the seniors' last play, and there were several talented actors and actresses who really made the most of it.

CHOIR

There was continued interest in choir this year, with a large group of members once again participating. They sang numerous times this year in chapel, and also had two concerts. The choir team traveled to other churches and performed for them as well. Especially outstanding this year was senior Robin Carey. She led the girls' part of the choir. She sang many specials this year. Her leaving will be a great loss to the choir, as she was a tremendous attribute to it. This year's choir was a young group, with only one other senior member, Julie Garbee. The others who were in the choir were from various grades, but most of them were from the junior class. The junior members were: Carolyn Kittinger, Missy McQuaid, Steve Jett, Amy Hendricks, Renee Davis, Tammy Cunningham, Marcia Lachniet, and Bennie Fears. Other members included Lloyd Robertson, Adina Dooley, and Jeff Cole.

YEARBOOK

1. Carolyn Kittinger pecks diligently 2. And the rest of Mr. DeLong's eggs: Jeff Hatmacher, Kent Mason, Ricky McWane, Michael Tinsley, Dawn Duffie, Cory Beasley, Barry Falls, and Sherri Harmic.

The yearbook staff of any school is a very important class. The reason for them being important is because the memories of your high school years should be preserved properly. Special planning, hard working, and a special love for the school accomplishes this. The yearbook staff exploits their imagination and talents on the yearbook to make it the most enjoyable and rewarding book possible.

1. Susan and Chris have different opinions about the ring banquet. 2. Bennie looks at his ring for the first and the last time. The juniors, as well as the adults, enjoyed the ring ceremony. 4. Those who recieved their rings were all smiles. Bennie looks on with envy. The Ring Banquet this year was held at the Sheraton Inn. Mr. Kevin Eldridge, a former T.C.S. teacher, was the speaker. The careful preparation and planning of the event paid off with a satisfying and enjoyable evening.

RING BANQUET

SPORTS BANQUET

1. Jim Dinwiddie was the student athlete of the year. 2. The 1981-82 J.V. cheerleaders receive their awards. 3. The J.V. soccer team is commended after their great year. 4. The male athlete of the year, Bennie Fears. 5. The female athlete of the year, Susan Hassan. 6. Coach Edgar 7. Coach Williams 8. Coach Hooten 9. Coach Coleman.

This year's Sports Banquet was different in that it was held here in the gym at T.C.S. The Booster Club and other various faculty members did a good job of decorating the gym. After the meal, Jeff Meyers, the head coach of the Liberty Baptist College basketball team, spoke to those who attended. He challenged the athletes and others to be winners in life and that everything they did was with God's help.

HOMECOMING

The Homecoming Court of 1982 was a very memorable experience. Alan Branson and Beth Meade were crowned Homecoming King and Queen. Other senior couples were Harry Falls escorting Sandy Sutherland, and Ricky McWane escorting Lucy Workman. Last year's King and Queen, Chuck Sanders and Gail Moore came back to share in this special occasion.

1. The ninth graders assemble in orderly confusion during the pyramid competition. 2. The tenth grade gathers around to envy the ninth graders' decoraton. 3. The seniors took first place with the gym decoratons . . . 4. . . . and the hall decoratons. This year's Spirit Week was full of fun and activity. As usual, the different dress-up days such as Hillbilly Day, Preppy Day, etc. took place, with many original, odd, and unusual costumes. A contest between the classes was held in which many things were factors in determining which class had the most spirit. The seniors were the victors. Everyone worked hard to make this spirit week the best in the school's history.

Preschool could be renamed as a new awakening, a period of new experience and new horizons being opened to the children. Timberlake Christian School tries to create in the children a spark to drive them always toward perfection in all that they do. The classrooms are filled with love and care for one another and everyone seems to be drawn closer and closer every passing day. The teachers endeavor to teach the children to work and play together as a group, to learn to listen and follow instructions, and to learn to perform simple self-help tasks. They also teach them to enjoy art and music. But above all else they try to develop the child's capacity towards learning God's Word and applying it to their life.
